

Course evaluation [for foreign students]

- 1) Step1: Access to the AIMS2 portal of the Ajou University website
Click the menu of Academic Information(undergraduates)→Course Information(①)
- 2) Step2: Click the menu of Course Evaluation(②)
- 3) Step3: Choose the course to be evaluated(③)
- 4) Step4: After selecting the question(⑤), choose the answer(⑥)
- 5) Step5: After answering all the question, store the information(⑦)

- ※ English lecture is composed of 3 types(A,B,C) so Questions and Item lists were a little changed(C type only). ex) A(100%English),B(50%English),C(Theory:English, Practice:Korean)
- ※ If you have your opinion on this lecture such as things you feel particularly satisfied with or matters that need to be improved, Please write it down below the question list.
- ※ If you have the reason for the same answer to all the question and giving the grade point average below 2, you have to write down the reason and store it.

Course Evaluation

Academic year: 2010 Academic semester: 1ST SEMESTER Course lists: Numerical Analysis(Youngm) (③)

English Lecture Type:A(100%English),B(50%English),C(Theory:English,Practice:Korean)

No.	Question	Result
